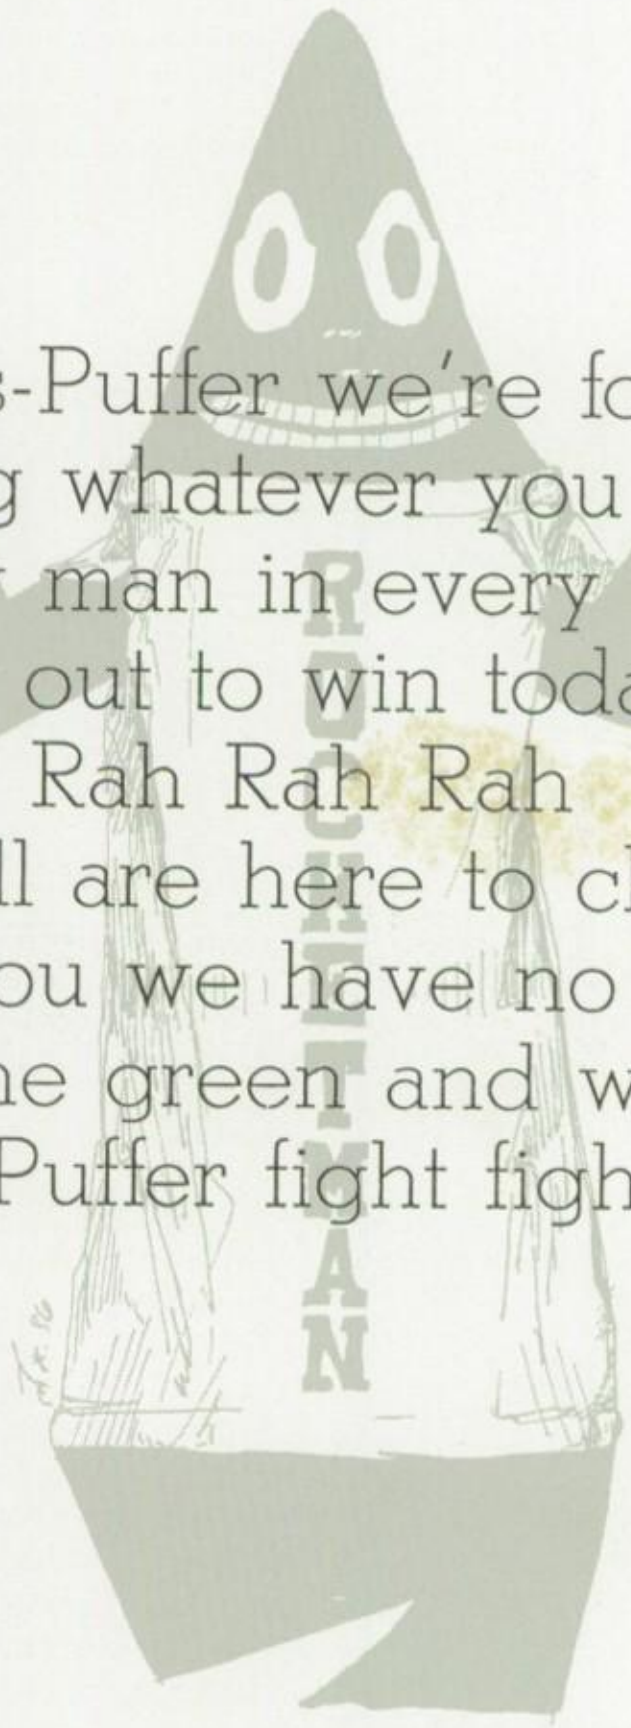
REETHS-PUFFER SENIOR HIGH SCHOOL



Reeths-Puffer we're for you
fighting whatever you do —
Every man in every play,
we're out to win today —
Rah Rah Rah
We all are here to cheer,
for you we have no fear
For the green and white,
Reeths-Puffer fight fight fight!

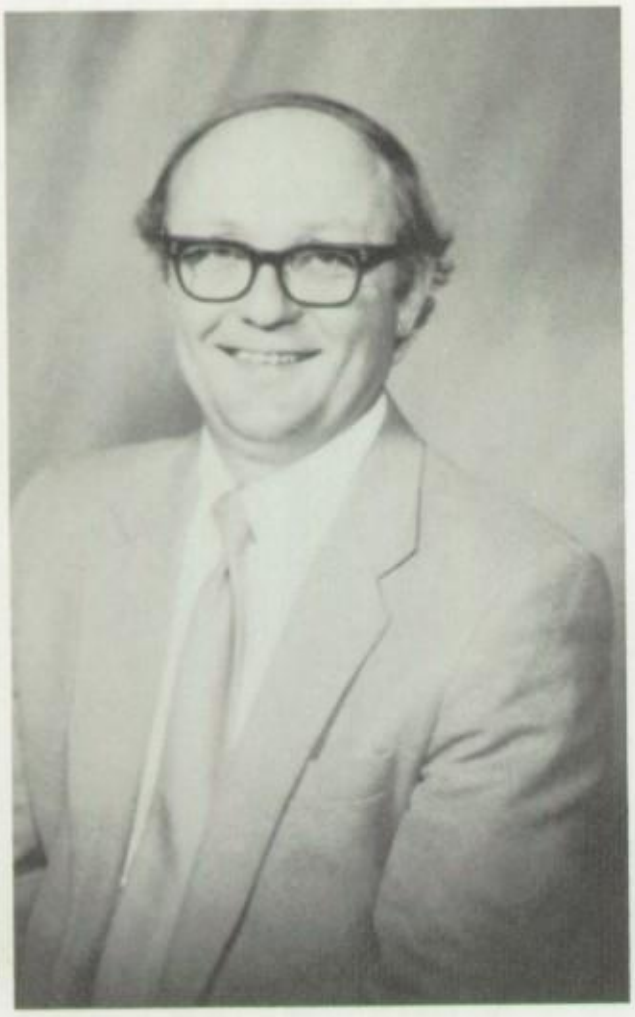
Principal's Address



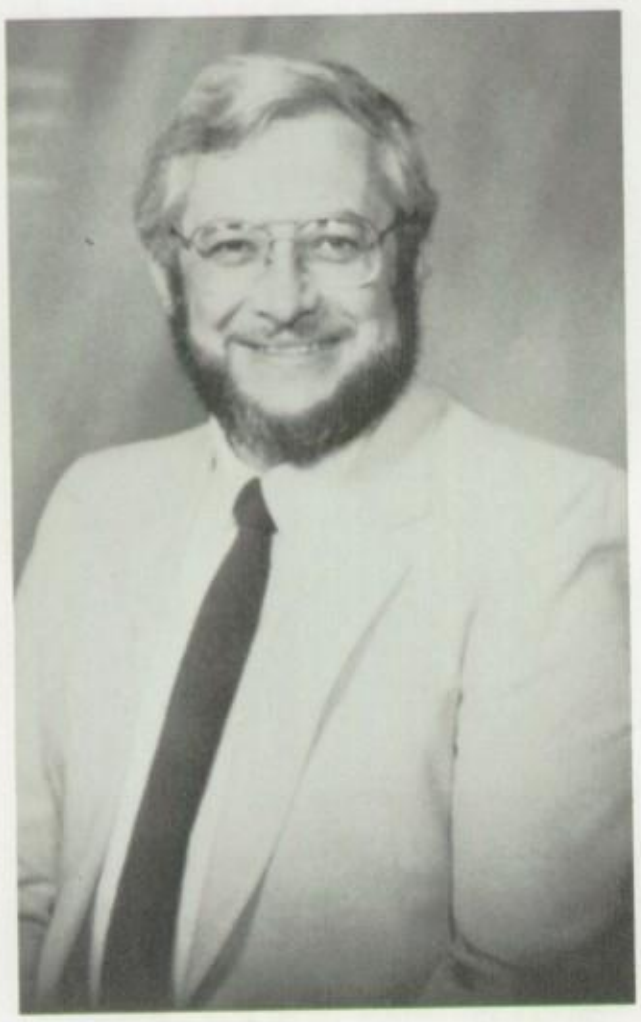
Joseph Cherney, Principal — 1986

As this is my last principal's address for the Rocket yearbook, I would like to take this opportunity to thank all the students, faculty, and parents for their support and cooperation over the past ten years while I served as principal of Reeths-Puffer Senior High School.

Over the years this yearbook has given me many fond memories of school events that have occurred. I hope it will serve this purpose for you in the years to come when you look at it.

It is with great pleasure that I share this page with the man I hired as my assistant principal nine years ago. Mr. Van was appointed the "new" high school principal in February of this school year, when I stepped down. I have great confidence that Mr. Van will carry on the fine tradition of Reeths-Puffer in the years to come.

Mr. Joseph Cherney



John Van Nieuwenhuyzen (Mr. Van), Principal — 1987

I shall always remember 1987 as a year of happy confusion, long hours, and a mixed feeling of sadness and excitement. Sadness at seeing the "Boss", Mr. Cherney, step from the Principal's office to the classroom, and the excitement about new challenges, new faces, and the chance to be involved in the leadership of the "Home of the Rockets" at another level. I extend a hand in friendship to the Class of '87, and an open invitation to visit your old school and return to a great community and way of life — at Reeths-Puffer!

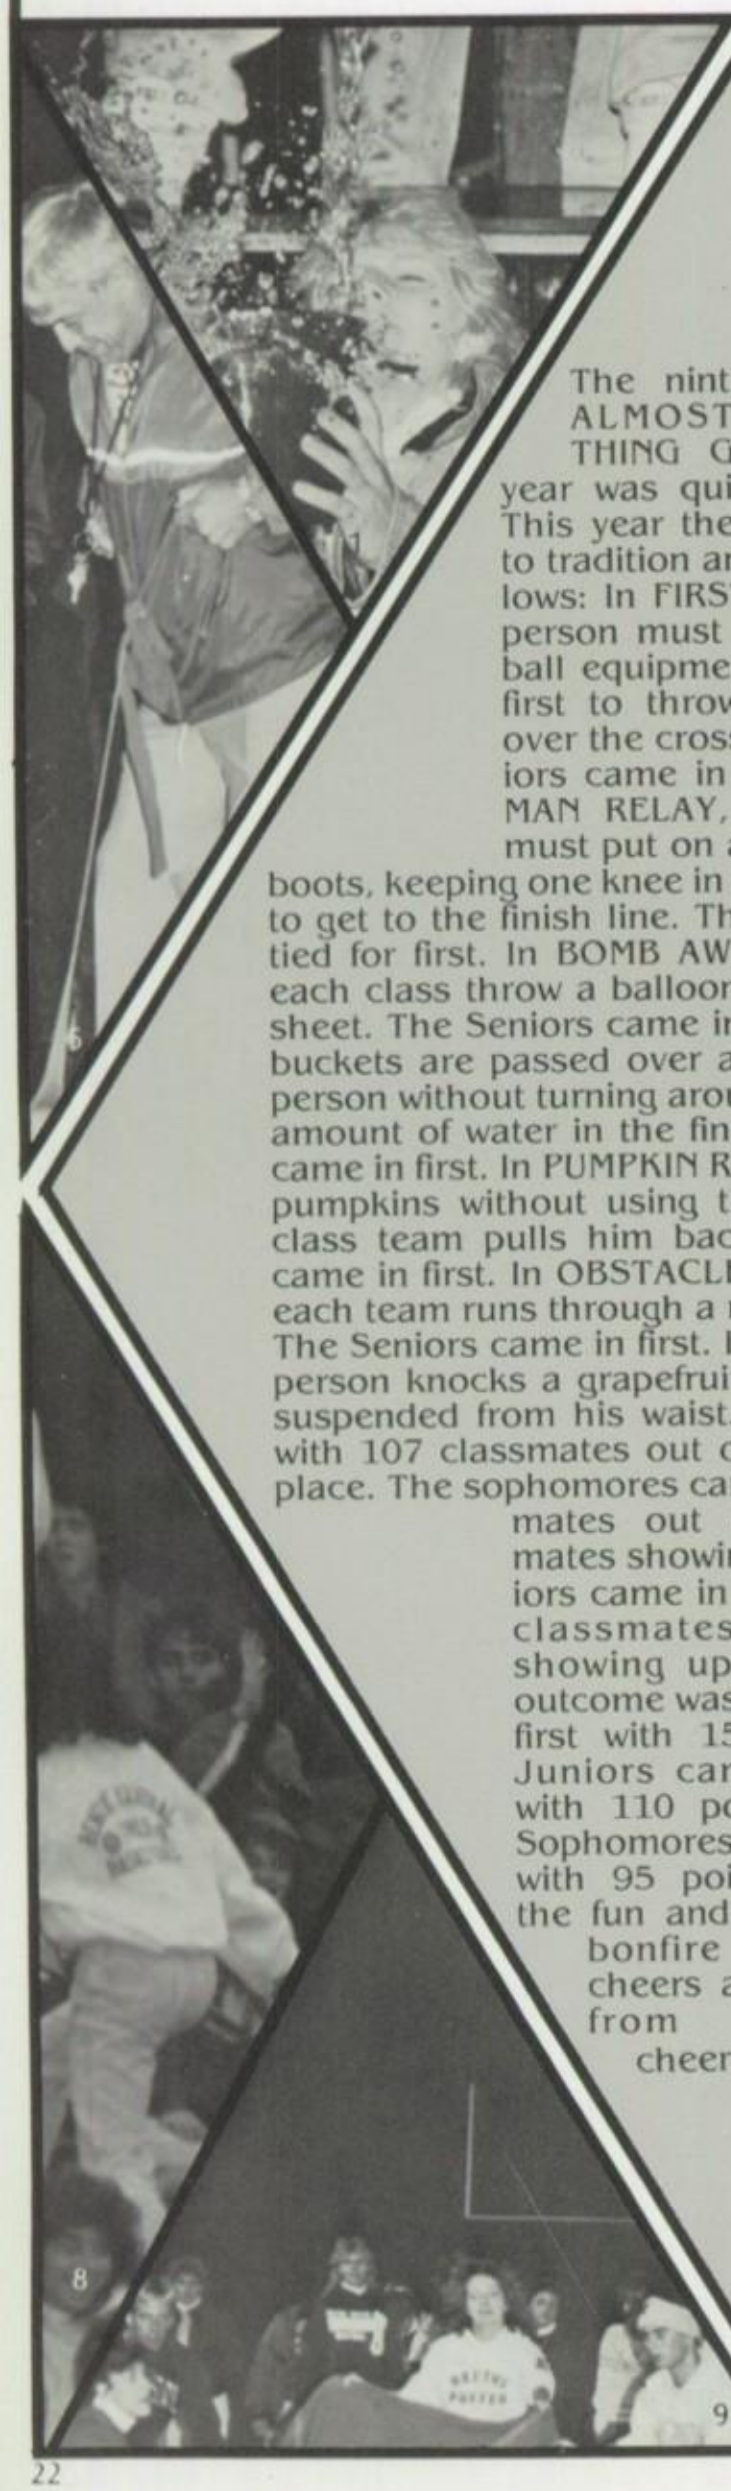
Almost Anything Goes



The ninth annual ALMOST ANYTHING GOES this year was quite an ordeal. This year the events stuck to tradition and were as follows: In FIRST & TEN, one person must wear all football equipment and be the first to throw the football over the crossbar. The Juniors came in first. In FIREMAN RELAY, each person must put on a raincoat and boots, keeping one knee in a wagon while being the first to get to the finish line. The Sophomores and Seniors tied for first. In BOMB AWAY, twenty-five members of each class throw a balloon which is to be caught in a sheet. The Seniors came in first. In BUCKET BRIGADE, buckets are passed over a person's head to the next person without turning around. The class with the most amount of water in the final bucket wins. The Juniors came in first. In PUMPKIN RELAY, the person must push pumpkins without using their hands or feet and the class team pulls him back when done. The Seniors came in first. In OBSTACLE COURSE, one person from each team runs through a running course with barriers. The Seniors came in first. In GRAPEFRUIT CROQUET, a person knocks a grapefruit down a track with another suspended from his waist. In attendance, the seniors with 107 classmates out of 257 showing up took first place. The sophomores came in second with 106 classmates out of 268 classmates showing up. The juniors came in third with 103 classmates out of 297 showing up. The overall outcome was the Seniors in first with 155 points, the Juniors came in second with 110 points, and the Sophomores came in third with 95 points. Following the fun and games was a bonfire including cheers and chants from the cheerleaders.

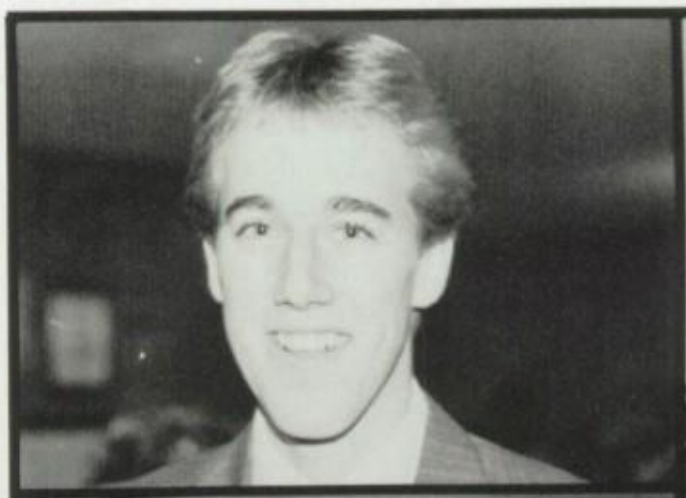
An Old-Fashioned Christmas

December 13th 1986
Reeths-Puffer High School
9:00pm - 12:00 Am

Have a fun and safe Holiday. -SADD.



The 1986 christmas dance was put on by the class of 1987. The music was provided by Paradox music. The theme of the dance was "An Old Fashioned Christmas." The dance was complete with Mr. & Mrs. Clauses arrival. A dance was held in their honor to help raise money for the Toys for Tots Organization. Those who attended the dance; danced their feet off. The dance was clearly an enjoyable evening. The decorations were by Karen Bridges, who was greatly helped in her decorating efforts by the Christmas dance committee. The dance committee consisted of Kelli Jensen, Erik Johnson, Kim Shafer, Sharon Jordan, Angela Spataro, Kelly Carlson, Sue Jesperson, Jon Pherson, Gerry Polverento, Sabrina Williams, Kris Mullinex, Danielle Pellerin, Gardner McKay, and Kevin Whitsell. The refreshments were served by Kelly Carlson, Deanne Hinton, Dianna Derrickson, Diana Deuling, Sonia Contreras, Marika Manninen, Mari Wantanabe.

WHAT IS THE SCIENCE OLYMPIAD?

The Science Olympiad is an academic interscholastic competition which is designed to increase student interest in science and improve the quality of science education. The Science Olympiad tournament consists of a series of approximately twenty individual and team events. Students prepare for these events during the year. The competitions follow the format of popular board games, TV shows and olympic games. These challenging yet fun events are very motivational and are balanced between the various science disciplines (biology, earth science, chemistry, physics, computers and technology). There is also a balance between events requiring knowledge of facts, concepts, processes, skills, and applications. In addition during the day there are open house activities which consist of demonstrations, activities and career counseling sessions conducted by professors and scientists at the host institution.

The purpose of the Science Olympiad team is strictly competitive. Team members start in the regional corp and go to the state meet. If they win there they go to the nationals. This is the 3rd year that science olympiad has been competing. The first year the team competed in the olympiad, it was 4th in the state missing going to the nationals by only 1 point. Last year the team was 7th in the state.

This year each member of the Science Olympiad is a part of a Chemistry, Physics demonstration team. The team puts on a science magic show for the elementary students. Throughout the R-P District, the science olympiad team is open to all H.S. students on a voluntary basis. The only requirement is that there must be at least 7 seniors on the team. GOOD LUCK!!

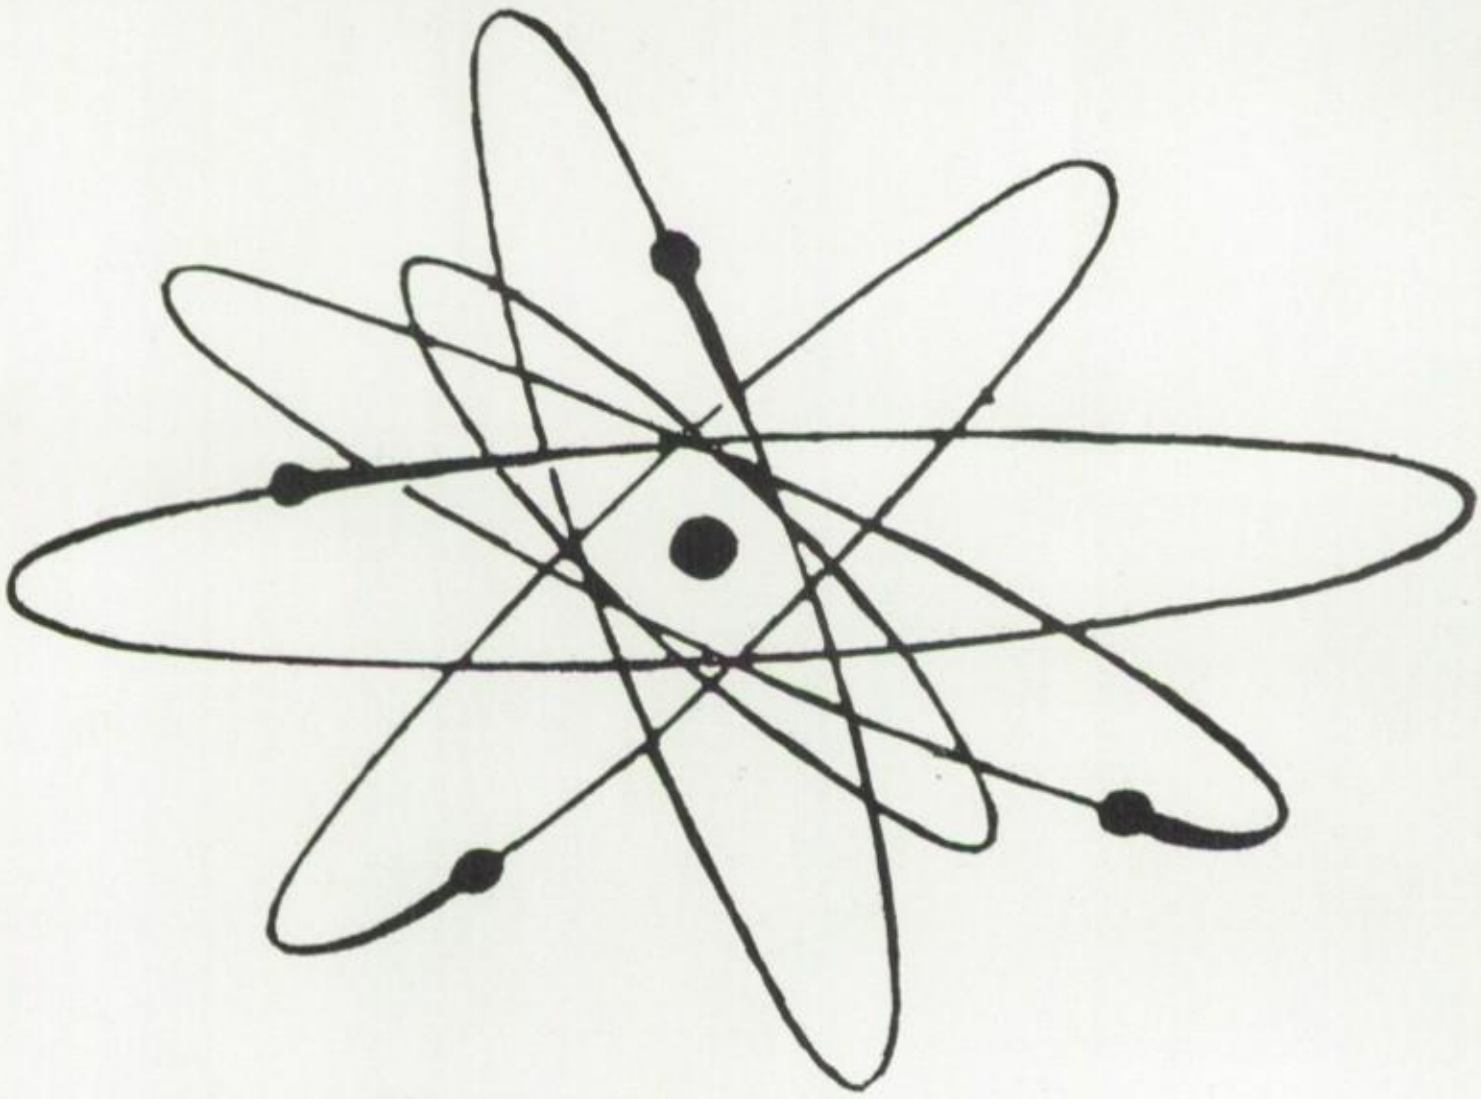
Physics Engineering Group



Members: Gerry Polverento, Kris Mullinex, Kelly Carlson, Kris Williams, Melissa Boxer, Carmen TenBrock, Denny Boyd, Scott Hill, Kris Polica and Brent Willis, (Freshmen at MCC)

The Reeths-Puffer Physics Engineering Group is a group of students dedicated to working on the persuader. A persuader is a seatbelt safety device which persuades people to wear seatbelts. Actually the group is just like a small business. They sell blue prints, parts; and the persuader itself. Brent Willis, a freshmen at Muskegon Community College, comes in and helps with the persuader. Brent is one of the original people on the team. The group has already sold several blue prints and hopes to sell many more.

On Thursday May 28, 1987 28 Juniors and 3 Seniors were inducted into the Monteith-Richard Chapter of the National Honor Society. A 3.8 grade point average must be achieved for each Junior or Senior to become a member of the National Honor Society.

On Thursday February 12, the Honor Society had a Rockathon. They rocked in their rocking chairs for three charities. The tree charity were Lions Club-Fund for the blind, American Cancer Society, and Muskegon Hospice. This years inducties will have a chance to organize and raise money for charity the next school year.

Third Row Left To Right: Gerry Polvorento, Mike Weessies.

Close-Up is a nation wide private foundation that sponsors and funds a week long trip to Washington D.C. During this week Close-Up members meet various kinds of people such as senators, congressman, ambassadors, representatives, government officials etc. . . .

Each person must raise $760. In order to raise this money Close-Up members sold packaged meats and pizzas, and Halloween Insurance. Other additional fund raisers were to collect 50% profit from the pop machine, sponsoring a Data Match Computer Service and a Sock Hop dance. Other ways they raised money was to auction off donated items and hold a raffle for an inflatable rubber sports boat, and outboard motor.

The purpose of the Student Council is to represent student opinion, train students for leadership, and promote school spirit.

Student Council donates money to the school for numerous purposes and activities. The council sponsors Homecoming, Almost Anything Goes, Spirit Week, Powder Puff Football, and some of the dances. The council also runs the March of Dimes charity programs, can good drives, and they donated money for the pop machine.

Student Council members are elected from homerooms in the fall. The meetings are attended by all Student Council members with advisor Mr. Voss and advisor Mr. Mast. They meet once a week and more when necessary.

FOOD ADVISORY COMMITTEE
Front Row Left To Right: David Shafer, Blake Wolffis, Mike Weessies, Tim Slaughter.
Back Row Left To Right: Ray Brazaski, Laura Slater, Gail Hartfield.

The Food Advisory Committee is a group of Reeths Puffer High School students who taste-test school lunch food. A variety of foods are tested by each student and after deciding which food tastes best, each member fills out an evaluation sheet. The cooks can then get an idea of what the students would like to have for cafeteria lunch food.

This year the Committee traveled to Muskegon, Fruitport and Mona Shores High Schools to sample other cafeteria foods.

As a result of the Committee's suggestions, there was a wider variety of potato chips, pizzas, and a daily salad bar added to the cafeteria this school year.

The Food Advisory Committee was so successful this year that there are plans to continue it next year.

S.A.D.D.

The S.A.D.D. organization (Students Against Drunk Driving) has been in our school for three years. Their purpose is to inform teens about the facts of drinking and driving, and to hopefully stop teens from driving drunk.

Some activities that they are involved in include: putting up posters in school, announcements, and selling decals. Each activity has the same basic message: friends don't let friends drive drunk.

Membership into S.A.D.D. is voluntary. A student is required to sign a S.A.D.D. contract for life with his or her parents.

Flag Corps

FLAG CORPS

There are six members in the Flag Corps. They are selected in the fall by Mrs. Nancy Gunn, Flag Corps advisor, and Mr. Donald Fretty, marching director. They are selected through an audition process held after school. Each individual has to learn a routine with flags to the fight song. Additionally, they have to make up one routine of their own. Every Flag Corps member is expected to obey the code of conduct and go to all of the practices. Being a Flag Corps member involves a large amount of practice. They practice every third hour during the football season and also hold practices after school on various days. The Flag Corps is responsible for performing at all home football games. This involves providing flag twirling routines with the band during half times.

Majorettes

The RPHS Marching Band is accompanied by two drum majorettes. They are selected in the spring by Mr. Fretty, Marching Band director, and the previous drum majorettes or drum majors. They are selected through an audition process held after school. They have to learn a routine with their batons to the fight-song and also have to do a routine with their batons to another song. The drum majorettes are expected to obey the code of conduct put forth by the band and to go to all the band practices.

Being a drum majorette involves a large amount of practice. Before the band begins its summer practice sessions the majorettes must attend the Smith-Walbridge Drum Major Clinic in Syracuse, Indiana. They attend this in June for one week. Here they learn how to be a drum major or majorette. Back at RPHS they practice one week before school starts from 8:30 a.m. to 11:30 a.m. daily, and also hold practices after school on various days during school days. The drum majorettes are responsible for performing at all home football games. This involves being the student leaders of the band, leading the routines, giving the band the signal when to move, and also directing the band's routines.

The drum majorettes are selectd by Mr. Don Fretty and coached during the season by Mrs. Nancy Gunn.

ETA provides an opportunity for seniors interested in obtaining skills in working with primary aged children in an elementary school setting.

Some of the activities ETA is involved in is helping with class play, put up bulletin boards and bulletins, do art work with the students, collect papers, correct papers, help with crafts, arts and music activities, supervise recess duty, and arrange book shelves.

The qualifications for being a teachers aid is to be a senior, tentatively planning on education as a career choice, be in good academic standing, and have to be able to dedicate oneself

completely to the student, leaving all personal problems behind.

ETA have helped on the playground, planning and teaching of physical education, planned science and other kinds of projects, and have done readiness testing.

The seniors got into the program by applying and must have three teachers recommendations, and students attendance is a major consideration.

In addition to their class room duties, once every marking period a teacher's aid has to have a journal telling what they have done. They also have to turn in a book-review from a list of recommended books by our high school librarian.

Good Job J.V.'s * 7-2

A strong offense and tight defense were the outstanding features of this year's Junior Varsity football team. Lead by coach Mast and coach Werner, the little Rockets finished out the season with a record of 7-2.

Leading scorer for the J.V. football team was Jeff Fielstra who had an outstanding season. Every member played all of their games as a team and they all were successful.

The 1986-87 Junior Varsity football team should contribute extremely well to next year's Varsity.

Congratulations 1987 J.V. football team members and coaches.

Women's Varsity Basketball

The R.P. Womens basketball team was headed by a very determined coach, Randy Peters. He started his coaching season in August getting his team in shape. The games were well attended by the girls fans. The girls put on a very good show for being the first time ever district champions in Rocket history. Leading the Rockets to districts were Ronie Betts, Carol Hughes, Jessica Horsefall, Kim Kops and Amy Shafer. We cannot also forget about the support the team got from its sideline players. The team ended its season with fifteen wins and eight losses. Congratulations team to a job well done!!!

Cross Country

The R-P cross country team this year had a very good season. In regular meets they were 6-2. The team finished 3rd in the seaway conference meet, 3rd in the greater Muskegon meet and 5th in the Oakridge invitational. Being all conference, Rich Benham was undoubtedly the star runner this year. He was city champion in 1986 and placed 26th in the state class B final run, missing all state by only 1 second. Pat Boyer was 9th in all final run congradulations to Rich, Pat, Coach Sutherland and the rest of the team for a great year.

The J.V. and Varsity squads both attended cheerleading camp at Oakland University this year. Both squads were coached by Sue Nielsen and each had a great season. The Varsity squad received second place when they competed in Mall Competition on August 27. While attending camp for four days, each squad learned new skills and cheers which help prepare for the upcoming season.

The Varsity Basketball Cheerleaders were also coached by Sue Nielsen and attended cheerleading camp at Oakland University where they were taught cheers and cheerleading skills to use at the basketball games. Two guys joined the squad this year which made the season a little more "exciting". These two guys, Ray Brazaski and Dan Stockman, caught on fast and made great cheerleaders. The whole squad is congratulated on having a great season.

Tim Mitchelson

The Reeths-Puffer mens varsity basketball team ended its season with an overall record of 10-10. The season games were filled with exciting shooting from Tim Mitchelson and Ken Green from the outside and Kurt Prins and Jeff Peterman from the inside. According to the Coach, Mr. Wright, the most valuable player was Kurt Prins and the most improved players were Tim Mitchelson, Ken Green, and Troy Mast. As these players were juniors, next year's games should be filled with excitement and victory.

The 1986-87 Rocket Junior Varsity Basketball Team once again had a great season. Averaging sixty-three points a game, the Rockey J.V.'s ended with a 15-4 overall record, and a 9-3 record which placed them second in the Seaway Conference following the Muskegon Heights Tigers.

Travis Barry hit ninety percent of his free throws, along with being the team's highest scorer with four hundred points. Jonathan Wright led the team with a total of ninety-one offensive rebounds and sixty-three blocked shots. Dave Birr led with ninety-four defensive rebounds. Lynn Moore had seventy steals while Aric Cotton had seventy-seven assists.

Job well done Coach Lundell and Junior Varsity Basketball Team. Good luck next year.

Defense — Defense

Over the plate!

The 1986-87 Junior Varsity Baseball team, coached by Pete Kutches, finished out the season with an overall record of 15-4 and a league record of 11-1.

Leading hitters for the JV team were Jonathan Wright, with a batting average of .467, Kurt Bowen, with an average of .429, and Dave Baker, with an overall average of .411. Dave Baker led the team with 23 hits out of 56 times at bat. Pitching was a key part of the many JV wins. Pitchers included Jonathan Wright leading the team to 7 victories, Adam Pollock with 4 victories, and Dave Birr with 2 victories. Travis Barry and Joel Olson each had 1 victory. The defense was another key factor to the success of the JV team with many outstanding fielders. Super job guys! Good luck next season.

Mens Track

This years Track Team's top individual scorer was Rich Benham with 181¼ points. Rich was Greater Muskegon City Champion in the 3200 meter run, and was Conference Champion in the 1600 and 3200 meter run. Charlie Benard was another star this year by taking 3rd in the long jump at the All Star meet at Orchard View High School. This year the strongest events were in distance and middle distance runs. Several graduating seniors will be missed but they will leave a good nucleus coming back for the 1988 team. A couple of these will be Tim Black and Kirk Sweet. Mr. Milhiesler feels David Torrey was probably the most improved team member this year. Some promising sophomores coming back as Juniors will be David Torrey, Marc McNabnay, Lynn Moore and Shane Sapp.
